The meeting was called to order by Melanie Chevalier, President. Jean Sigmon was called on to give an opening devotion/thought for the day-- "Remember When" and "Dirt Roads."

Dr. King brought remarks to us and shared an excerpt from a book called "First Break All the Rules." He informed us that it is possible that we, very possibly, are looking at losing some EPA and SPA positions due to the 7% cut. He answered some questions regarding the budget situation.

Denise Bunch, Secretary, did roll call. Jean Sigmon made a motion to dispense with the reading of the minutes as they were posted to the web site previously. Gene Reynolds seconded the motion and it passed.

Donna Keene, Treasurer, handed out a copy of the latest report. Our current balance is \$5,155.78.

SPEAKERS

- MarySue introduced our speakers, Ray Kimsey and Rhonda Conlon. Ray gave an overview of the IT staff and spoke about the 14 new NT systems that will be installed as soon as the software comes in. Rhonda gave those who are expecting the new systems some pointers regarding getting geared up for the systems (clean out files, rename and keep simple, use .wpd, .txt., .jpg, etc.). They opened the floor for questions.

OLD BUSINESS

- Date of fall meeting - After discussion, Mary Sue made a motion that we install officers in the Spring instead of in the Fall. Carol Ann seconded the motion and it passed. This means current officers will serve an extra six months.
- Book of Maps: Thanks for everyone for working on their county map. Please be sure one book per county goes back today.
- Staff Senate: 6 Extension secretaries are currently holding positions. Please consider this if given the chance to serve.

NEW BUSINESS

- SEANC: Melanie gave us general information on this (State Employees Association of NC). This group "rallies" for us in regards to salaries, health care, retirement system, etc.
- Herter-O'Neal Scholarship: deadline April 1. SW District has it this year in the rotation.
- State Office Eligibility List: deadline May 1. Need names of those who have served as District Officers.
- State Newsletter Articles: deadline June 1. Jean Sigmon reported that we first need a District newsletter. Lori Wynne will get information together to send, if we all will send in items to her. Please have info to Lori by May 16.

BREAK

Carol Ann introduced "Mitch and Friends" who were responsible for preparing and serving our wonderful lunch. Mitch welcomed us to Pitt County and gave the invocation.

LUNCH

Pat Braswell introduced Alexis Scott, FCE Agent from Pitt County, who presented a program for us on Professional Image. We especially liked the "don'ts"!
