

Membership

The membership of the NCEAPA is composed of office support staff working in county offices and those on NC State campus, NCSU research station field locations, and NCA&T campus that support Cooperative Extension programs.

Membership offers opportunities on both district and state levels. We provide:

- Quality Training Practices & Professional Development Opportunities
- Annual Conferences -State & National
- Association Business Actions
- Professional Networking
- Scholarship Opportunities

What We Do

- ◆ District members usually meet twice annually.
- ◆ State Board of Directors meet twice annually and may have special called meetings when necessary.
- ◆ State association members come together annually to conduct the business of the association.

Meetings provide professional development, networking, leadership, and community service opportunities.

National Association

The Extension and Research Support Staff Association (TERSSA) was formed in 2008.

Mission & Objectives

NCCEAPA was organized in 1973 and the mission is to maintain a structure through which members may be united in a professional development and improvement effort for the benefit of themselves and the North Carolina Cooperative Extension.

The objectives of this Association are:

- To strive to always perform our duties with integrity to help make North Carolina Cooperative Extension the best Extension Organization in the nation.
- To be recognized by N.C. Cooperative Extension as professionals.
- To seek opportunities for professional improvement.
- To network with district and state personnel to garner updated information in order to maintain a high quality of service.
- To increase membership networking opportunities that will allow skill growth amongst members.
