Highlighted activity for 2019-2020

The Campus Chapter held its first meeting on August 29, 2019 in Coltrane Hall on the Campus of NC A&T State University. A professional improvement exercise, introduction of new members and the installation of new officers took place. Light refreshments were served afterwards.

The Chapter met on November 8, 2019 at the Orange County Extension Office. The highlight of this meeting focused on the Chapter hosting the 2022 State meeting and fundraising activities. The Chapter also brainstormed on important topics to explore for the State meeting. A decision was made on the winter community service project, which was to gather donations the food pantries on our campuses.

The last meeting of the year was on December 6, 2019 at Cheesecake Factory, Southpoint Mall in Durham, NC. The Chapter members shared pictures highlighting the student food pantry community service projects for both NC State and NC A&T. This was followed by a holiday party filled with games, stories and gift exchange. This would be our last physical meeting.

September 18, 2020 a virtual meeting was held via Zoom. Introductions by future members, Karen Bustoz and Dinisha Watlington were provided. The Hospitality hosted a virtual lunch via Subway to make up for the annual picnic we were unable to have in May. Donna Holland (Reflections Committee) showed a video highlighting the different a year makes. Congratulations went out to Ms. Anita Wright on receiving the Chapter Professional Improvement Scholarship Award. The professional development activity focused on each chapter members highlighting their best skills, in which membership found many commonalities among one another and gifts that can be used to improve the chapter. Installation of new officers took place.
