1 st VP	Tamara Carawan
2 nd VP	LeAnn Weigand
Secretary	Wanda Hargrove
Treasurer	Kareis Britt
Parliamentarian	LaToya Lucy
Advisor	Suzanne Hugus

- District's spring meeting was held in person and via zoom on May 6 in Duplin County. Thank to Duplin County for allowing us to use their facility.
- Scott McCollum, Extension IT, presented our professional development piece on "Technology Accessibility," specifically dealing with hearing and vision impaired individuals
- Main point of business portion of the meeting was to get in writing district guidelines for each of our committees that will be posted to our district website for ease of future transitions. While staying in compliance with all state guidelines, items specific to our district, actions items, and best practices were added to the committee guidelines.
- The Southeast District will be hosting the state meeting in 2023. The 2023 state meeting steering committee will ramp back up this month with a goal to get date approval and secure our venue as quickly as possible.
- The afternoon consisted of outside team building activities of Kan-Jam and Kubb.
